

OPTICROP: SMART AGRICULTURAL PRODUCTION OPTIMIZATION ENGINE

STAKEHOLDER COMMUNICATION PLAN

1. Stakeholder Engagement Strategy

To encourage adoption, the developer designed a communication plan tailored to different stakeholders:

- Farmers: Focus on cost savings and yield improvements. Deliver recommendations through mobile-responsive templates.
- Research Agronomists: Focus on model accuracy and metrics. Provide detailed charts in the admin dashboard.
- Agribusinesses: Focus on supply chain forecasting. Enable CSV history downloads to help plan inventory.
